AutoX® Tool

- Hy-Ko is the only company that has many years of OBD tool experience in Retail stores
  - Hy-Ko started the first Retail OBD programming tool for keys in 2005.

- Hy-Ko's AutoX® Tool's benefits include:
  - NO TABLET to support and maintain.
  - No internet connection needed.
  - No battery to keep charged.
  - No registrations to stop you during programming.
  - No forced updates to keep you from programming.
  - Just plug it into the vehicle and start programming in less than 5 seconds!
  - Most simple user interface in the industry.
  - Designed for the rugged environment of on-board vehicle programming.

- Updates through Hy-Ko Keys Desktop™ Software and KID® Machine

- OBD programming guides from Hy-Ko will easily guide you through the programming process.

- 7-Day a week remote tech support.

- Special order keys expand vehicle coverage with no inventory investment.
